Hi folks:

Just an FYI...

=====

Subject: Stormwater Finance Webinar Series

EPA's Water Infrastructure and Resiliency Finance Center Hosts Stormwater Finance Webinar Series

EPA's Water Infrastructure and Resiliency Finance Center is hosting a stormwater finance webinar series in collaboration with the Water Environment Federation.

Communities across the county are struggling to identify a financing strategy to support their stormwater management programs. This webinar series will explore both traditional stormwater financing strategies as well as new and innovative approaches.

Each webinar will provide a deep-dive, technical overview of specific successful and leading-edge examples of how communities have supported their stormwater programs

Audience: Municipal administrators, planners, public works officials, community leaders, technical assistance providers, and regional funders.

Time: 2:00—3:00 pm EDT

- May 11, 2017 - **DC Water's Environmental Impact Bond (EIB)** [Register for webinar](#)
- May 23, 2017 - **Washington DC's Stormwater Retention Credit Program** [Register for webinar](#)

Additional stormwater finance webinars to be announced soon!
